# About Bonay Photography

Establishing Bonay Photography over 10 years ago, Jotham has a passion for capturing raw emotion and the most candid moments of a couple's wedding.

With his calming and professional manner, and a few laughs along the way, Jotham ensures all couples feel comfortable and at ease. He prides himself on providing his clients with the highest value and quality.

Jotham believes every love story is unique, and his photography will allow each couple to share their story for years to come.

*"Jotham was nothing short of professional, and the photos were just amazing and more than we could have hoped for! He listened to what we wanted, and delivered even more. He was great with capturing the small 'moments' - shots we'll treasure for years to come"*  
- Theresa, Melbourne based bride
